

# Earth Month is April!

*During April, several activities have been planned to help inspire and educate our children to have an appreciation for our Earth:*

## April 5-9:

The focus this week is on our Used Clothing Drive and Cell Phone Drive. Drop off your clothes or other household items to 18 Brown's Lane. This Clothing drive will continue until April 22nd. Cell Phone collection boxes are at both schools and also collected year round. Both of these fundraisers not only help our environment but also earn money for our school.

## April 12-16:

Old VHS tapes at home? We will have several collection boxes throughout both schools. Just send them to school and we'll take care of the rest.

## April 22:

Earth Day!! Kids wear Green to school. The schools will also host a no garbage lunch- you bring it in-you take it home. Used Clothing drive ends on the 22nd.

## April 26-30:

During this week, the PTA will host an assembly by Clean Ocean Action. Children at both schools will learn about our ocean and ways to help keep our ocean clean.

*PTA Mission Statement: It is the mission of the Fair Haven PTA to promote the welfare, safety and educational development of our children in the home, school and community through the cooperative efforts of parents and teachers.*
