2013 – 2014 Membership & Directory Order Form

The PTA provides a school-wide directory – which includes students' names, addresses, telephone numbers, parent/guardian names, email addresses & class lists to members only. Additionally the Directory contains a listing of school staff, PTA committee listings and other helpful information including a calendar of events.

The Student Directory is Indispensable!

The directory is an extremely useful tool for families. It is never distributed to anyone outside of the school district. It can be used to • communicate with other parents • keep track of events throughout the school year • provide quick contact numbers and information about attendance and weather closures at both Sickles and Knollwood, plus much, much more!

In addition to the student directory, the PTA provides many programs to students and staff alike. In order to take advantage of this opportunity to join and receive a directory, please complete this form and return your payment to the school office.

Why Join the PTA?

The number-one reason to join the Parent Teacher Association is to benefit your child. In doing so, you also help your school. But there are many more advantages. Here are just a few:

Get Connected. There's no better way to know what's happening in your school.

Discover Great Resources. The PTA offers a variety of programs designed for parents as well as students.

Tap Into a Network. Parenting is not easy – it helps to share ideas, concerns and experiences with other parents and educators in the community. PTA functions are opportunities to meet other parents and teachers, building rapport and discussing issues that are on your mind.

Watch Yourself Grow. By volunteering, you gain valuable experiences. It's an opportunity to put your skills and hobbies to good use for a good cause – your child and all children in the community.

Speak Up. Because the PTA is a forum for exchanging ideas, you are encouraged to make suggestions. PTA can be a way for you to more effectively suggest change at your child's school. Your PTA membership gives you the privilege to vote at PTA meetings on important matters such as the disbursement of PTA funds and the implementation of new programs. Only PTA members may vote at PTA meetings.

Witness Improvement. By getting involved at your child's school you'll be part of the solution, helping make positive changes. Local PTAs play an important role in fundraising to provide curriculum-based programs, teacher resources and social events – all vital to a school's success.

Be a Role Model. By becoming a PTA member, you'll be demonstrating to your child the importance you place on education.
