

Do you host playdates or birthday parties? Do you drive a carpool? Do you coach sports, or lead a scout troop? Are you a class mom? Do you love someone with food allergies? If you answered "yes" to any of these questions, this program is for you!

Food Allergy 101: Why Food Allergies Impact Everyone & How to Keep Children Safe, A Program For Those Not Directly Affected By Allergies (And Those Who Are).

Dr. Tina Zecca, Board Certified in Allergy and Immunology, will be giving a presentation about food allergies and provide the basics that everyone should know to help keep friends and loved ones safe. Please join us for this very important and informative program. Remember, anyone can save a life.

Thursday, October 26th

7:00 pm
